area families or separate occupiers and population

volume 4 of 12 the foundation of the munitions ministry was a revolutionary step coinciding with the shells scandal in which the failure of a series of british attacks neuve chapelle aubers ridge festubert and loos was blamed on inadequate supplies of munitions a press outcry was followed by questions in parliament which threatened to bring down the government the ministry was set up in response previously the war office had been responsible for designing ordering and inspecting ammunition factories and stores but a year of war on a scale never foreseen the creation of armies larger than ever contemplated and the demand for unprecedented quantities of matériel showed the absolute necessity of providing centralised direction of mass war production the great war completely upset normal industrial conditions preparing this history of the ministry of munitions was started during the war itself it was felt that consulting the officials concerned whilst they were still in post was vital particularly as many such posts were temporary and while the questions with which the history would deal were vividly present in their minds this volume contains information concerning labour supply july december 1915 labour regulations and the munitions of war amendment act 1916 the limitation of recruiting the progress of dilution

the great war had a profound impact on britain not only did families risk their sons in active combat every member of society was required to make a contribution to the war effort national initiatives like rationing affected all and civilians were now regarded as a legitimate military target reminders of this turbulent time survive today in rituals such as summer time and remembrance nationwide war memorials and the powerful myth of a lost generation slaughtered in a futile war here ian beckett examines the mobilization of the british people for the war effort and reassesses its impact on state and society as evidence he presents 40 key documents including the king s rallying cry to the nation to eat less wheat reports on social phenomena from anti german riots to the drinking habits of women and juveniles and kitchener s initiatives to raise his new armies
