this is the first book devoted to examining why some issues proposed by aggrieved individuals or groups are denied access to policy agendas the book contains case studies that look at the policy process from the perspective of the strategies opponents often use to ensure agenda denial strategies usually motivated by perceived threats to widely held world views and identities

a collection of original articles by leading practitioners and researchers this volume examines methods for human resource forecasting and planning to meet the strategic needs of the organization as the editors note at the outset changing characteristics of the workforce and new skill demands

mean that human resource planning must become an integral part of corporate strategy development and implementation in order to compete successfully in an era of rapid technological change organizations must be able to adequately forecast their needs for different types of employees consider the extent to which current employees have the needed skills and examine labor force availability this book describes ways to collect the necessary environmental data and formulate human resource strategies that recognize current and anticipated changes both in the organization and in the environment in which it operates the volume begins with a discussion of environmental scanning techniques the contributors demonstrate how to identify environmental trends including labor force demographics and how to apply this information to the development of human resource strategies the second section considers ways to analyze the organization s future human resource needs by examining employee demographics and job attitudes in part three the contributors describe how organizations formulate human resource strategies in response to environmental trends and organizational goals the next group of chapters offers examples of the human resource implications of organizational change this section includes separate chapters on job loss and employee assistance programs and the effects of a corporate merger as well as two case studies of the relationship between human resource planning and corporate strategic goals the contributors conclude by describing organizational reactions to changing environments brought about by an aging workforce work at home jobs new computer and telecommunications technologies and the increasing cultural diversity of the workforce indispensable for human resource managers and corporate planning executives this book will also be of significant value to researchers and students in human resource and strategic planning programs

creating and implementing your strategic plan is the best selling companion to john bryson s landmark book strategic planning for public and nonprofit organizations this new edition of the workbook is completely revised and updated and can be used as a stand alone resource or as a companion to strategic planning for public and nonprofit organizations a step by step guide to putting strategic planning to work in public and nonprofit organizations this indispensable workbook includes easy to understand worksheets and clear instructions for creating a strategic plan tailored to the needs of the individual organization from setting up the meeting room to establishing a vision of the future every step of the strategic planning process is covered the workbook shows how to refine your organization s mission and values assess your internal and external environment identify and frame strategic issues formulate strategies to help manage the issues create review and adopt the strategic plan assess the strategic planning process

community foundations bring together the resources of individuals families and businesses to support effective nonprofits in their communities over the years foundations have come to engage community problem solving through more than just grant making they have added a rich array of other activities including programs of community capacity building active modes of advocacy and centres for meeting in 2011 the 700 institutions in the united states gave an estimated 4.2 billion to a variety of nonprofit activities in fields that included the arts and education health and human services the environment and disaster relief the origins of this book stem from conversations among the leadership of community foundations about

the challenges they must overcome in order to make such foundational contributions to their communities as community foundations enter the second century of their existence the first foundation was formed in cleveland in 1914 the need for knowledge and best practices has never been greater this book with expert authors representing the best and the brightest in this important field fills that need

the 1994 elections represented a watershed year for southern republicans for the first time since reconstruction they gained control of a majority of national seats and governorships yet despite these impressive gains southern republicans control only three of twenty two state legislative chambers and 37 percent of state legislative seats joseph a aistrup addresses why this divergence between the national and subnational levels persists even after gop national landslides in 1972 1980 1984 1988 and 1994 explanations for this divergence lie in the interaction between the republicans southern strategy a set of coherent ideological tactics designed to lure southern whites to support gop candidates and the republicans top down party development efforts aistrup analyzes the historical evolution of the republican southern strategy from goldwater in 1961 to the contract with america in 1994 examining the roles of ideology intra party politics gerrymandering and democratic incumbency in republican top down advancement he predicts the extent to which these will remain significant obstacles to gop success in subnational elections after 1994 aistrup reveals the strengths and weaknesses of the southern strategy as it relates to candidate ideology and examines the influences of republican victories in national and statewide offices on the party s subnational advancement he shows a clear connection between republican presidential success and southern republican advancement in local elections

the signing of the paris agreement in 1973 ended not only america s vietnam war but also richard nixon s best laid plans after years of secret negotiations threats of massive bombing and secret diplomacy designed to shatter strained communist alliances the president had to settle for a peace that fell far short of his original aims

in may june 1940 the germans demolished the french army inflicting more than 300 000 french casualties including more than 120 000 dead while many historians have focused on frances failure to avoid this catastrophe eugenia kiesling is the first to show why the french had good reason to trust that their prewar defense policies military doctrine and combat forces would preserve the nation

when the big ball drops on new year s eve thousands are there to witness that great glittering sight while millions more watch on national television times square may be the cultural hub of america the crossroads of the world but its lights have not always shone as brightly as they do now once a glamorous theater district times square and 42nd street had degenerated into a neighborhood known for the winos and sex shops of midnight cowboy until new york s business and arts communities stepped in these advocates of urban revitalization exploited cultural and historic preservation arguments to transform a low income entertainment district into a disney fied tourist mecca where ratso rizzo once kicked cars and hookers plied

their trade mickey mouse now greets visitors from atop a disney superstore surrounded by rising office towers theaters and theme restaurants all thanks to huge tax subsidies and government support alexander reichl tells the fascinating story of how cultural politics and economic greed transformed the city s physical and social environment with an ongoing multibillion dollar redevelopment program changing the district from a symbol of urban decline to one of urban renaissance he explains the political significance of the historic preservation and arts related approach to urban revitalization showing how it was used to appeal to the upscale values of middle class new yorkers often hostile to urban renewal he also examines the role of the walt disney company in the project and demonstrates its power to redefine a premier public space in telling the story of times square reichl reveals much about politics and power at the city level and their relationship to the development of urban space he frames his lively narrative with an illuminating account of how historic preservation initiatives at all government levels have displaced large scale federal urban renewal programs as the dominant approach to urban development and he shows the importance of political discourse and cultural politics in mobilizing public support for urban redevelopment now that it has been reconfigured for the 21st century times square provides a rich and multifaceted case for exploring the latest trends in urban renewal yet reichl suggests much that has happened here is regrettable the ousting of low income citizens to serve commercial interests the loss of a culturally diverse entertainment district and the failure to address persistent class and race based segregation in a central urban area by getting to the heart of the great white way reconstructing times square provides an important look at urban renewal and politics in a changing america
